

- Regular Member fees are calculated based on the amount of different types of packaging placed onto the Irish market at different stages along the packaging supply chain (see fee table below).

Please note that from H1 2024 there will be no fee associated with data reported at the distributor stage.

Packaging type (€/tonne) H1/H2 2024	Recycled Paper	Recycled Glass	Recycled Aluminium	Recycled Steel	Recycled Plastics - Rigid	Recycled Plastics - Flexible	Non Recycled Plastic	Beverage Plastic Bottles - PET	Beverage Plastic Bottles - Other Plastic	Non Beverage Plastic Bottles	Recycled Wood	Recycled Composite	Non Recycled Composite	Non Recycled Other
Materials Manufacturer	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00
Converter	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00	€1.00
Brandholder / Importer & Distributor	€36.64	€7.71	€22.64	€55.47	€134.89	€134.89	€396.42	€134.89	€134.89	€134.89	€7.79	€134.89	€396.42	€209.62

TOTAL Per tonne (if paying full fee)	€40.64	€11.71	€26.64	€59.47	€138.89	€138.89	€400.42	€138.89	€138.89	€138.89	€11.79	€138.89	€400.42	€213.62

- Businesses are required to determine the weights of packaging they handle or supply. Repak is here to help, guide and support every ‘Major Producer’ along the way.
- If your business has been trading for longer than one year it is liable for back fees.
- Repak has two methods for businesses joining as Regular Members:

→ STANDARD JOINING PROCESS

Full compliance after the submission of up-to-date packaging statistics and when invoices are paid in full.

→ FAST TRACK PROCESS

Compliance achieved at the start of the process through the payment of an initial joining fee. Full compliance is then provided after the submission of up-to-date packaging statistics and when invoices are paid in full. This option is available at Repak’s discretion and is subject to terms and conditions.

Packaging Statistics & Training

When joining Repak it may be the first time that your business has compiled an expert service that can support your business every step of the way.

Repak can support your business in the following ways:

→ **Complimentary Packaging Audit**

Repak can conduct an audit to see if your business has an obligation with the Packaging Regulations - at no cost.

→ **Free Statistical Training**

Provision of free training at your premises to calculate the quantity of packaging your business places on the Irish market. Training will be provided within two weeks of submitting an application form and is usually divided into two components; the first is a broad overview of the Regulations; the second is tailored information relevant to your business.

→ **First Completed Packaging Returns**

Repak can submit your business' initial Packaging Returns at no charge, making it straightforward to become a Repak Member.

→ **Yearly Packaging Statistics**

Once you have joined Repak, we can provide details of approved consultants that can be employed by your company to help in the collation and provision of on-going, yearly packaging statistics. Statistics are required bi-yearly; February (July to December the previous year) and August (January to June of the current year).

For further information or to book training, please contact our Sales team on 01 4670190 or email sales@repak.ie
