- <https://www.irishstatutebook.ie/eli/2021/si/516/made/en/print>

How does it apply to Producers of plastic?

- Single use plastic tonnages will be reported by the:
 - **Converter** i.e., the company in Ireland that makes single use plastic items or
 - **Importer** of empty or filled single use plastic or
 - **Foreign Online Retailer**

(exclude if sold/supplied to a Repak Member who is the importer)
- No de minimus applies
- Covers both packaging and non-packaging
- Covers plastic from Producers both inside and outside the State

How are Repak addressing the legislation?

- Repak will assist their members to comply with both the Packaging and Packaging Waste Directive and the Single Use Plastics Directive
- Repak will also facilitate producers inside and outside the State who are not current Repak Members
- This will require additional data reporting and compliance declarations from plastic producers
- Data will need to be collected from 2022 onwards
- Producers will be listed on an on-line Register of Compliance
