## Getting Set Up

If you are obligated under the Single Use Plastic (SUP) Regulations you will need to register with Repak.

You are obligated under the SUP Regulations if:

1. You place SUP items on the Irish market, regardless of the amount/weight of items. If you are already in Repak membership you will still need to register as an SUP producer.
2. You place SUP items on the Irish market from outside Ireland i.e. via distance selling to households.

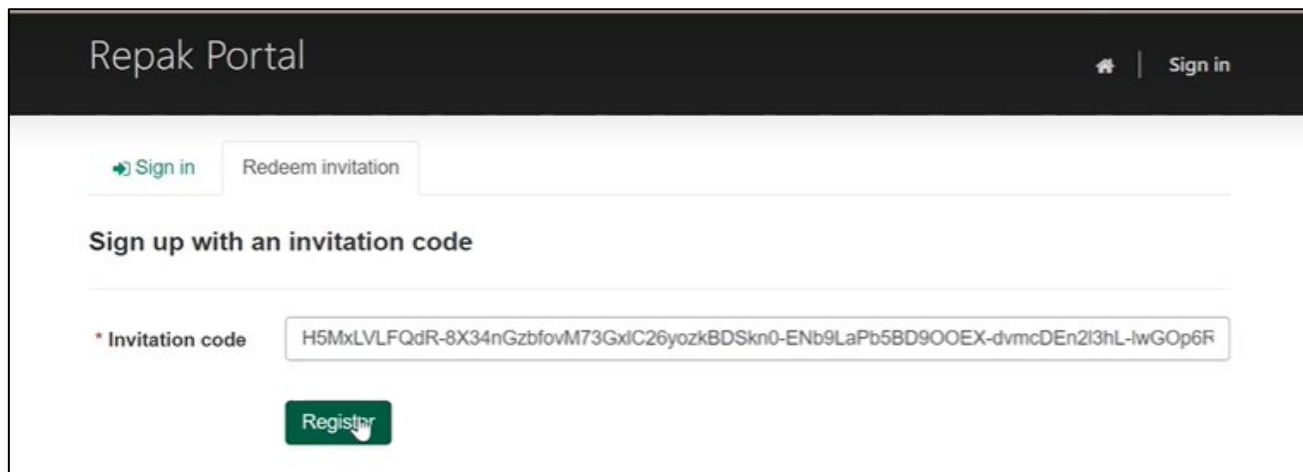

You can register as an SUP producer in one of the following ways:

1. If you are already in Repak membership, for your packaging obligation, please contact Repak for assistance in adding SUP details to your account at [sup@repak.ie](mailto:sup@repak.ie)
2. Click [here](#) if you have both packaging and SUP obligations but are not yet in Repak membership.
3. Click [here](#) if you need to register as an SUP producer only i.e. you do not have any obligations under the Packaging Regulations.
4. Click [here](#) if you are based outside ROI and place SUP items onto the ROI market by means of distance selling to households.

Once an application form has been approved you will receive an email containing details on how to access your online account.

## Redeeming an Invitation

1. Repak will send a unique invitation code from [no-reply@repak.ie](mailto:no-reply@repak.ie) to the SUP contact.
  - a. This code can only be redeemed once and by one person only.
  - b. If more than one person requires access to the portal please contact Repak and we will arrange for them to receive their own invitation code.
2. Click the link provided in the email.
3. Click the Register button.

The screenshot shows the 'Repak Portal' interface. At the top left, the text 'Repak Portal' is displayed. On the top right, there is a 'Sign in' link. Below the header, there are two tabs: 'Sign in' (with a right-pointing arrow) and 'Redeem invitation'. The 'Redeem invitation' tab is active. Underneath the tabs, the heading 'Sign up with an invitation code' is visible. A text input field is labeled '\* Invitation code' and contains the alphanumeric string 'H5MxLVLfQdR-8X34nGzbfvM73GxIC26yozkBDskn0-ENb9LaPb5BD9OOEX-dvmcDEn2I3hL-lwGOp6R'. Below the input field is a green 'Register' button with a white mouse cursor hovering over it.

4. Set up your username and password.

## Submitting SUP Data & Declaration of Compliance

Under the SUP Regulations you are required to cease placing certain SUP items on the market and show a reduction in your supply of other SUP items, on to the Irish market, by 2026. Repak have developed a report template and declaration form to assist you in providing the relevant information. This in turn will help us to show that you are compliant with the Regulations and that, as a collective, a reduction of SUP items has occurred in line with consumption reduction targets.

The report template is available within the portal. Once you have logged into your account:

1. Click on the 'SUP Submissions' tab.
2. All reports (submitted and draft) can be viewed here.
3. Click on the 'Enter SUP Stats' button.
